April 6, 2023

To whom it may concern,

I will be graduating this April from Thompson Rivers University with my Bachelor of Education. I am eager to begin my career as a teacher and I am currently seeking a teaching position within British Columbia.

I bring the following skills and qualifications to the position:

- Creating inclusive lessons
- Implementing UDL and DI in all lessons
- Classroom management
- Team teaching and collaboration
- Relationship building
- Student motivation and engagement
- Working with people with exceptionalities

I am willing to travel to schools in more rural areas to meet the needs of the district. During my certification practicum, I was given the opportunity to teach at Barriere Elementary and it was one of the best experiences I could have asked for. The teachers, students, and staff were very welcoming and it was easy to feel like a part of the community.

I believe that I would be a great fit for your school district and I look forward to starting my career.

Sincerely,

Emma Kivari
