

Student: [REDACTED]

Date: [REDACTED]

Numeracy	Emerging	Developing	Proficient	Extending
Big Idea	Addition and subtraction to 10 can be modeled concretely, pictorially, and symbolically to develop computational fluency.			
Curricular Competency	Represents mathematical ideas in concrete, pictorial, and symbolic forms			
Student Sample	Addition and subtraction worksheets, individual student assessment.			

[REDACTED] is receiving individual intervention at school to help him in mathematics. During this time he is working on one-to-one correspondence with numbers to 10, as well as practice with addition and subtraction to 10. Addition and subtraction are fairly new concepts introduced to the class and we will continue to work on these as a class throughout the remainder of the school year.

Literacy	Emerging	Developing	Proficient	Extending
Big Idea	Language and story can be a source of creativity and joy.			
Curricular Competency	Uses developmentally appropriate reading, listening, and viewing strategies to make meaning. Recognizes the structure of story.			
Student Sample	Fairy tale worksheets.			

Arts Education	Emerging	Developing	Proficient	Extending
Big Idea	People connect to others and share ideas through the arts.			
Curricular Competency	Develops processes and technical skills in a variety of art forms to nurture motivation, development, and imagination.			
Student Sample	Beaver face plates, beaver directed drawing, <i>Beauty and the Beast</i> flower art, student drawings throughout various lessons.			

Social Studies	Emerging	Developing	Proficient	Extending
Big Idea	Our communities are diverse and made of individuals who have a lot in common.			
Curricular Competency	Explains the significance of personal or local events, objects, people, or places.			
Student Sample	Community worksheets			

Science	Emerging	Developing	Proficient	Extending
Big Idea	Plants and animals have observable features. Daily and seasonal changes affect all living things.			
Curricular Competency	Describes facts about beavers such as appearance, diet, habitat, and behaviours.			
Student Sample	Beaver booklet			

[REDACTED] continues to make progress in Kindergarten. He regularly contributes to class discussions, enthusiastically participates in partner and group work, and always maintains a positive attitude towards learning. [REDACTED] continues to demonstrate caring behaviours towards others and is an important part of our classroom community. Keep up the great work [REDACTED]
